

Directions to WCEC

The Western Cooling Efficiency Center is located at 1450 Drew Ave, Suite 100, in south Davis, CA.

Directions:

From Sacramento International Airport:

Take airport exit road to on-ramp for Interstate 5 east to Sacramento. From I-5, follow signs to Interstate 80 west to San Francisco. Follow directions below "From Sacramento" once you merge onto I-80 west.

From Sacramento: Take Interstate 80 west to Davis. Take the Richards Blvd. South exit (as opposed to the Richards Blvd. Downtown exit). The exit will take you onto Richards Blvd. After crossing the overpass, Richards Blvd. becomes Cowell Blvd. Stay in the right lane. Turn left onto Drew Avenue & Kaiser Permanente and Interland have buildings at the corner of Cowell and Drew. Proceed to the last driveway on the right--at building 1440. We are in building 1450, the second building on the right, in Suite 100.

From San Francisco: Take Interstate 80 east to Davis. Take the Richards Blvd. South exit (as opposed to the Richards Blvd. Downtown exit). The exit will take you onto Richards Blvd. After crossing the overpass, Richards Blvd. becomes Cowell Blvd. Stay in the right lane. Turn left onto Drew Avenue & Kaiser Permanente and Interland have buildings at the corner of Cowell and Drew. Proceed to the last driveway on the right--at building 1440. We are in building 1450, the second building on the right, in Suite 100.

From Downtown Davis: From the intersection of 1st St. and E St./Richards Blvd., take Richards Blvd. toward I-80 and South Davis. After crossing the overpass, Richards Blvd. becomes Cowell Blvd. Stay in the right lane. Turn left onto Drew Avenue & Kaiser Permanente and Interland have buildings at the corner of Cowell and Drew. Proceed to the last driveway on the right--at building 1440. We are in building 1450, the second building on the right, in Suite 100.
